WINDPROOF

Designed with protection from wind.

BREATHABLE

Designed to be breathable with increased airflow

WIND RESISTANT

Designed with light wind protection without affecting breathability.

COLD RESISTANT

Designed to provide insulation and cold-weather protection for enhanced comfort.

MOISTURE-WICKING

Designed with a fabric for dispersing sweat and moisture.

FORM FITTING

Designed to work with helmets without compromising fit.

CLICK-IN ATTACHMENT

Designed to attach to helmet via the easy-to-use Click-In System.

ADDITIONAL INFORMATION

GUARANTEE

3 years starting from the date of purchase.

SHELF LIFE

10 years starting from the date of manufacture. Shelf life depends on various factors that can cause deterioration such as sudden temperature changes, the amount of exposure to direct sunlight and the intensity of use. Altered vision and scratches are elements that signal the need to check for deterioration of the visor.

CLEANING

Clean only with water and mild soap. Allow to air dry. Do not use chemical detergents, solvents, petrol powders as they are too aggressive and could lower the structural resistance of the visor. Do not rub the lens when dry.
